## SEQUOIA COLLECTION

Invite natural looking elements into your home with our luminescent Sequoia Collection. Carefully cast from the roots of an Acacia tree, our Sequoia Tables bring sculptural detailing to their surrounding décor. Molded out of resin in a multi-step process, each table is finished in silver leafing, giving the table base a subtle luster.

CARE INSTRUCTIONS: Dust regularly with a soft, dry cloth. Avoid the use of furniture polish, harsh chemicals or abrasive cleaners. Dry spills immediately with a clean cloth. Protect surfaces from heat and moisture by using coasters, pads or cloth under drinking glasses or hot dishes. For indoor use only.
